

Mission Statement

The American Red Cross, a humanitarian organization led by volunteers and guided by Congressional Charter and the Fundamental Principles of the International Red Cross Movement, will provide relief to victims of disasters and help people prevent, prepare for and respond to emergencies.

The fundamental principles of the International Red Cross movement are:

**Humanity
Impartiality
Neutrality
Independence
Voluntary Service
Unity and Universality**

The Red Cross is not a government agency. All Red Cross Disaster assistance is free, made possible by voluntary gifts of time and money from the American people. To help the victims of local disasters, contributions can be made to the American Red Cross Pioneer Valley Chapter, 506 Cottage Street, Springfield, MA 01104, or online at redcrosspioneervalley.org
